

# OLLH School Newsletter

MISSION STATEMENT: OUR LADY OF LAKE HURON EXISTS TO PROVIDE ACADEMIC EXCELLENCE AND CHRISTIAN FAITH FORMATION TO ITS STUDENTS. RECOGNIZING EACH CHILD IS A GIFT FROM GOD WITH UNIQUE TALENTS AND ABILITIES, WE TEACH A DIVERSE CURRICULUM IN THE CONTEXT OF CATHOLIC VALUES. GUIDED BY THE HOLY SPIRIT, TOGETHER WITH PARENTAL AND PARISH SUPPORT, THE STUDENTS WILL BE EMPOWERED TO BECOME RESPONSIBLE CITIZENS OF THE PARISH, COMMUNITY AND WORLD

## News Around School

This week a monthly principals meeting for all diocesan principals was held at OLLH. I received many compliments on the manners our students demonstrated with our visitors. Thank you students and teachers for that!

- MEAP testing is completed. Thank you to all the students for their hard work on these tests. We typically don't receive any results on these until the spring, but we will keep you posted. We also thank all of the parents for their work. We had perfect attendance on each testing day which meant no make-up tests.
- There was a mistake on the activity night permission slip sent home. The date and time were not updated from last spring. The date is October 27 from 2:45-4:15. We have many great activities planned. We also have decided that students that are participating are welcome to change into comfortable clothes following Mass on that Thursday. The deadline was Friday of this week to turn in permission slips. We set this deadline because we had sup-

plies that needed to be purchased based on the number of students that stay.

- Our third, fourth, fifth, and sixth graders are spending Friday at the Henry Ford Museum in Dearborn. Their day is scheduled to include viewing many wonderful exhibits and an educational Imax movie. Thank you to the parents that were able to join our students and thank you to the teachers for planning and arranging this wonderful trip. With the exception of small local field trips and end of the year trips, most of our classes have taken their field trips early this year. Thanks for all your cooperation, parents!
- Cookie dough will be delivered to school on October 26. Thank you to everyone that took part. We increased our sales from last year and news like that is always a delight. Cookie dough can be picked up after school. Thank you again for your work supporting our school!
- Halloween will be celebrated on October 31 in the afternoon. We will begin with a parade of all students in their costumes

through the school. Then each class will be holding their own classroom party. Families are invited to join us for these parties.

Please check with your child's teacher to find out the time planned for their party. Also, please remember to sign in and receive a badge for the parties.

- OLLH Catholic School accepts the following which are utilized as a fundraiser for our programs: Boxtops for Education, Campbell's Soup Labels, Spartan Labels, ink cartridges and toners, unused cell phones, and drink pouches.
- The Harbor Beach Kids' Kloset is in need of winter coats, snow pants, and boots for school-aged children & teens in need. Please leave any new or used items (in good condition) on the porch at the side entrance of the First Presbyterian Church (corner of State & N. Third streets. Contact Neisha (479-0452) with questions.
- We have had several PBS drawings since our last newsletter. The individual winners are as follows: Michael A. (4th grade), Emily G (4th grade), Nichole G. (1st grade), Emily H. (6th grade), Nathan K. (2nd grade), Devin P. (4th grade), Taylor S. (2nd grade), Kelsey S. (K),

October 21, 2011

All programs of the U.S. Department of Agriculture are available to everyone without regard to race, color, national origin, age, sex, or disability. Write immediately to the Sec. Of Agriculture, Washington, D.D. 20250 if you believe you've been discriminated against.

Danin T. (8th grade), and Paige W (fifth grade). Congratulations to each of these students. With our newsletters now shared on our website, it is necessary that we no longer include full names of students. We will do our best to share information that allows school families to identify students.
