News Around School

The school year has started out WONDERFULLY!! Thank you to all the parents that were able to attend Open House. We had a GREAT turnout. Congratulations to the Darrin and Lynn Siemen family for winning the drawing for one book and activity fee!

- This newsletter along with all newsletters will be posted on our school website. The website is <http://ourladyoflakehuron-school.weebly.com>. Through the school website, you are able to access all classroom websites that have been created. Simply click on the staff tab and click on the teacher's name to be linked to their classroom website.
- Many forms were sent home with each child and family on Tuesday. Thank you to those of you that completed your "homework" and returned these forms. We ask that all forms be returned ASAP. HBCS has sent a form home today; they ask you to check, make changes and return as well.
- Free and reduced Lunch

forms are being sent home today. Any lunches served during the month of September will be included in whatever determination is made for eligibility. This year, the income levels were adjusted and we ask that any family that may qualify, please fill out the paperwork. We receive additional funds for all qualifying families.

- A reminder that any visitors in the school need to sign in in the school office if they will be spending any time in the building beyond dropping off or picking up children.
- Anyone interested in volunteering to help serve lunches in the cafeteria, please call the school office for information. We appreciate your help.
- We are looking for some additional volunteers to help on Sunday nights with bingo. Bingo contributes a significant amount to the school each year, and we want to see that continue. We are in need of volunteers to work the first and third Sundays of the month as well as substitute helpers.
- Also coming home today are the school picture packets.

School pictures are scheduled for Thursday, September 22. This is a Mass day, and pictures will follow Mass. To clarify, there is an option of a class picture or class composite. The class picture will be a group shot of your child with all of his/her classmates standing together. The composite is a photo sheet which includes each student's individual picture and their name. Each have the same cost.

- A reminder that due to an adjustment to the schedule at the public school, our daily schedule has changed as well. Our official start time is 7:40 with a dismissal time of 2:35. It's amazing how much ten minutes can change the feel of the entire day, but students and teachers are already adjusted to the change.
- During the next two weeks we will be assessing students with reading writing and math assessments that we give three times a year. When results are available, they will be shared with students and parents.
- Hunter's Safety Classes will be offered next week September 12-September 16 beginning at 3:30 PM. Classes will be held in the Harbor Beach Community
